### And What Have You

By BOB CRAIG

Have you ever wondered what those odd looking numbers are on the bottom of checks? Well, probably after Sept. 1 you will become a little more familiar with them.

The numbers are used by Federal Reserve Banks to sort out checks to the various banks across the country and after Sept. 1 the Reserve Banks will no longer handle checks without the numbers as cash items.

What does that mean to you and me? It means that when we leave town we should start carrying some of our own checks with us, according to Floyd Clifton. Because of this ruling we will probably find it harder to get someone to accept a check on a bank draft or an altered check.

Locally, he said it will not make much difference but the days of bank drafts — the ones where you write in the name of your bank — are about gone.

But, back to those numbers. They are part of the U. S. Banking system's Magnetic Ink Character Recognition or MICR program which was started about eight years ago. The numbers are special characters printed in magnetic ink and must be located in a special spot on the check.

With these numbers the checks can be sorted by a machine instead of by hand. To give you some idea of the need for the system the four offices of the Dallas Federal Reserve Bank, Fed as it is sometimes called, sort and distribute between banks 1,100,000 checks a day. The machines that read the numbers can sort 60,000 checks per hour while a woman can sort only 1,500 per hour.

This MICR system is like the Post Office's Zip Code system in that it is being enforced in stages so as not to cause any more confusion than is necessary.

All of the checks furnished by the local bank have had these numbers on them for a number of years, according to Floyd. So really the only change will be in as we said, the altered checks and the bank drafts which have always been a certain problem for banks anyway. They cause too many mistakes.

All of this will probably be more of a pain to us men than to the fairer sex. Women seem to always be able to rummage around in their purses and find a blank check but men seldom carry a check book or even a blank.

Everyone seems to enjoy reading how youngsters put things into words. The following is a collection of fourth grade bits of wisdom on oil as collected by Harold Dunn of Kirkwood, Missouri, and printed in the Humble News.

"Oil," said one student, "is the most valuable thing on which the hand of man has ever set foot."

When asked to define petroleum some of the pupils came up with these gems:

"Petroleum is a more dignified name for oil."

Petroleum is a spare word for when you cannot think how to say oil."

And one boy approached the question angle:

"Take some oil. Pour it in water. Were you able to stir it up together? Then it wasn't oil."

In describing the origin of oil the students came up with the following:

"Compared with oil, man has been on the earth for only a drop in the bucket."

"From 500 million B.C. to 10 million B. C. everything got busy turning into oil. In those days there was not much else to do."

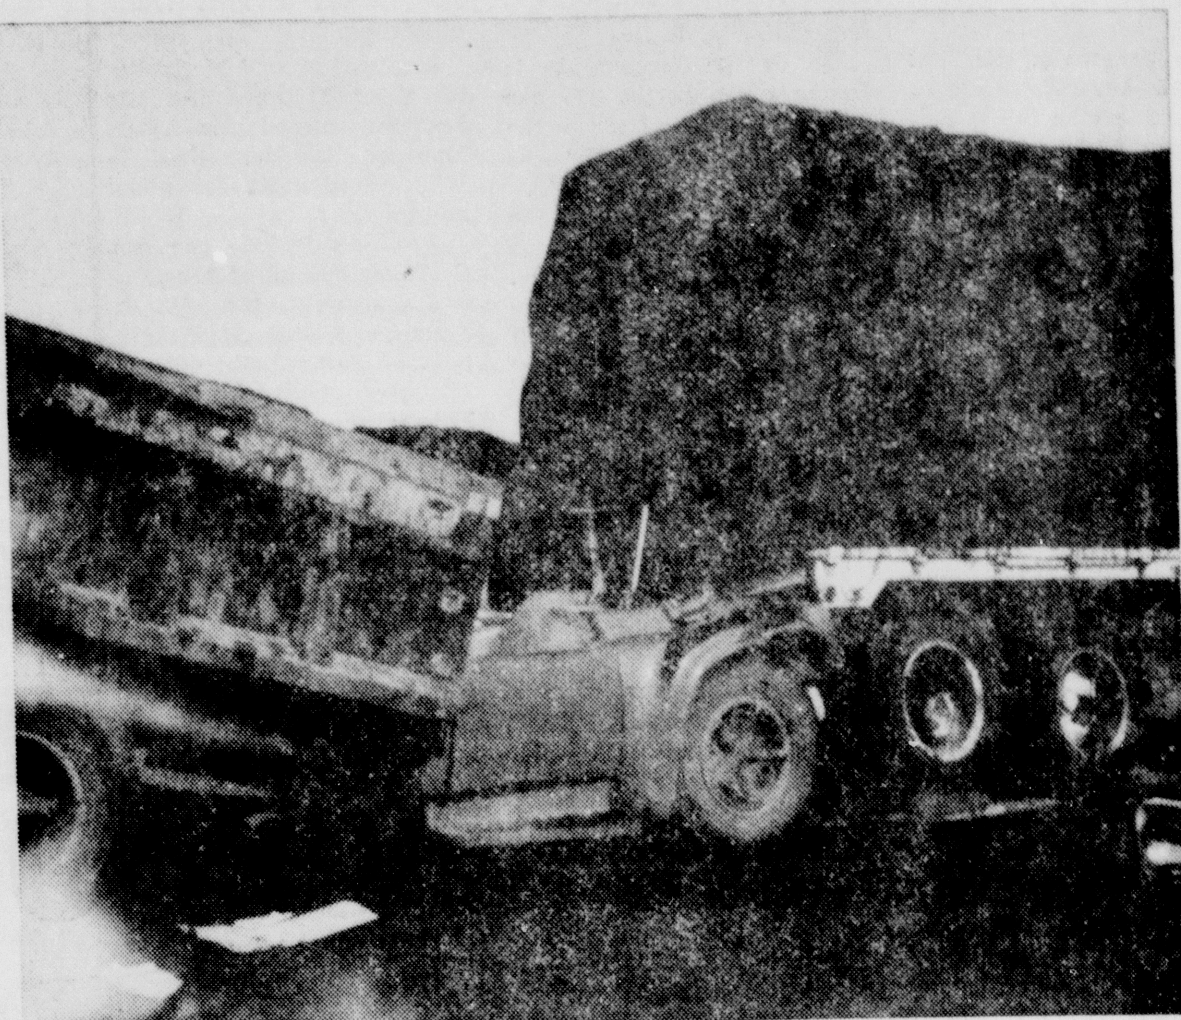

"When past monsters died, some of them changed to fossils while others preferred to be oil."

"The manner in which oil is formed as I understand it, is not very well understood."

"Many of the things that are alive today will also be changed to oil in a few million years. Just wait and see."

In answering a question on the use of tanker ships for transporting oil, one student reported: "Any ship taking oil into another country has to have a visa. For round trips, you need a visa versa."

A discussion of rocket fuels by Mr. Dunn brought this sage observation from one of his fourth graders. "When the fuel gets burning, the gases rush out the nozzle. So would anybody."

**TRUCKS COLLIDE TUESDAY**—A dump truck carrying a load of hot asphalt mix collided with a stopped truck-trailer loaded with bales of cotton about seven miles southeast of here Tuesday about 3 p.m. The dump truck, at left, was heavily damaged as the impact broke the frame and the load and truck bed shifted forward denting in the top

of the cab. The driver, Philip F. Carpenter of Fort Worth, was not believed injured. The truck-trailer belonging to Bill C. Simmon, Lubbock, was driven by Garrel Lynn Tate. Tate had been stopped by workers at the site of the highway construction. Tate was not believed hurt.

## Noted Humorist to Spin Yarns for BCD Crowd

Lee D. Herring, Grand Prairie banker, will be the speaker for the annual Board of Community Development banquet to be held here Feb. 17 in the high school gymnasium.

He presented more than 100 speeches last year. He is well known for his jokes and adlibs. He likes to use original anecdotes many of which come from his own family situations. He and his wife have three daughters and a son.

Many of his stories are gathered while talking to listeners after the banquet is over. "The funniest things are those that really happen," he has discovered. "These are the stories that audiences love."

"I'm not an extemporaneous speaker," he admits. "And though I enjoy just talking, when I get up to address a group, I have put a lot of thought into what I say. I plan my talk to fit the audience. But is isn't a 'set' speech. Even after I arrive on the scene, I keep trying to size up the audience and get closer to it. The only constant formula I use is the recipe calling for two-thirds humor and one-third serious talk. A banquet audience doesn't need a lot to worry about. They might get indigestion. Finding the right story for the right audience is the hardest problem. You can always scare 'em to death with taxes or something like that. But making them laugh is a different matter," he says.

Herring is vice president of

Grand Prairie State Bank, past president of Grand Prairie Rotary Club; a Thirty-second Degree Mason; a six-year member of the Grand Prairie Independent School Board. He has been chairman of the United Fund Drive, worked with Boy Scout Circle 10 Council, the Grand Prairie Chamber of Commerce, and served on the local equaliza-

tion board.

Henry Albritton is General Chairman. Tickets are being sold by all directors with Loyd Burkhardt serving as chairman.

W. T. Johnson is retiring president.

William Wink and B. V. Newberry are in charge of the food.

Tickets are also on sale at all Hamlin drug stores.

## Meeting Set In Roby On Leasing Land for Game

An informational meeting will be held Friday night at 7:30 p.m. in the meeting room of the Midwest Electric Co-op in Roby according to Bob Price, work unit conservationist, Soil Conservation Service, Rotan.

The meeting will be held to explain the purpose of the Technical Action Panels plan for leasing agricultural land for small game bird hunting. A program will be provided by personnel of the Texas Parks and Wildlife Service, followed by a question and answer period.

All landowners, businessmen, and sportsmen interested in learning more about this plan are urged to attend.

The proposed leasing pro-

gram is strictly voluntary and all leasing agreements are to be made strictly between the landowner or operator and the sportsman.

The Technical Action Panel adopted as its project for 1967, "the promotion of Small Game Bird Hunting in Fisher County". The TAP is comprised of the head of the agricultural agencies serving Fisher County. Members of the panel are Bob Price, SCS, Rotan; Frank Mitchell, ASCS, Roby; George Dorman, FHA, Rotan; M. R. Merchant, REA, Abilene. Others actively participating in the program are James Norman, Fisher County Agent, Roby; Roy Lynn, Texas Parks and Wildlife Service, Sweetwater; and Don Waddell, Midwest Electric Co-op, Roby.

## Pipers to Finish Season At C-City

The Pipers will close out the basketball season Friday night when they travel to Colorado City to take on the district champions. The Pipers are tied with Anson with 6-3 records and a win Friday will at least assure them a share of second place.

The Piperettes closed out

their season here Tuesday night as they fell to Winters 44-38 after losing to Anson Friday night 65-61. The girls from Winters wrapped up the district crown.

The Hamlin B Team will be going for an undefeated season when they close out their year Friday night at

Colorado City.

The Pipers fell to Anson here Friday night 71-61 with Milton Davis scoring 17 points for Hamlin. The local quintet fell behind in the first quarter and were never able to over-

come the Anson lead. Linda Baily scored 27 points in the Piperettes losing effort with Anson as they fell 65-61.

The local B Team was victorious over Anson, 67-62.

The Pipers had little trouble downing Winters here Tuesday as Coach Earnie Rousch substituted freely in every quarter with his charges winning 71-43. Davis was high pointer with 18.

The Piperettes owned a five point lead early in the fourth quarter only to see Winters get hot and come out on top, 44-38. Linda Baily hit 22 points for the Piperettes. Robert Bolden scored 16 points as the B Team walked over the Winters B Team 68-37.

## Mrs. F. B. Moore Sr. Honored by Local P-TA

Mrs. F. B. Moore Sr. was announced as recipient of State Life Membership in the Hamlin Parent-Teachers Association at the Founders Day program held Thursday.

Mrs. Moore served as president when it was organized in 1929. Her administration was during the depression and the P-TA served a real need in getting materials for the children to work with and in some cases provided clothing for the children to keep them in school.

There had been an earlier organization of the parents

but it had not functioned for several years.

During this time the mothers walked because there were no cars. Some of the women walked across town in severely cold weather to attend the meetings and work on the projects.

Mrs. Fred B. Moore Jr., speaker for the program, accepted for Mrs. Moore in her absence.

Topic for the program was "Accepting Responsibilities in Our Heritage."

Miss Maggie Seymore won the room count. Mrs. L. L. Skaggs gave the thought for the month. Entertainment was given by the fourth and fifth grades.

## County Baptist Set Workers Meet Here Tuesday

The Jones County Baptist Association will meet with the First Baptist Church at Hamlin Tuesday for Workers Conference at 7 p.m. The program this month will have the Sunday School as emphasis. The Executive Board will meet at 5:30 and supper will be served at 6:20.

Tom Hiser, pastor of Hawley Baptist Church will give "What a Teacher Expects of a Sunday School Class" and L. J. Cunningham, from the First Baptist Church, Hamlin, will have the subject, "What I Expect of My Sunday School Teacher." Lynn Garrett, Music and Educational Director of First Baptist Church, Anson, will tell "What Sunday School Has Meant to Me." Special message of the evening will be by Rev. Max Brown, new pastor of First Baptist Church, Hamlin.

## MRS. C. R. STEELE DIES IN LUBBOCK SATURDAY

Mrs. C. R. Steele of Coleman, mother of Mac Steele, owner of Mac's Supermarket, died in Lubbock Saturday. She was buried in Coleman Monday.

Survivors include her husband; three sons, Bill of Spur, Weldon and Billy, both of Lubbock; and several brothers and sisters.

Mr. and Mrs. Jack Galloway have moved to Brownfield Thursday where he will be employed by the Farmers Co-op driving a butane transport.

## Jones County Falls Short \$200 Of TB Seal Goal

The Jones County Tuberculosis Association reports a total of \$1790.21 in donations at the close of the TB Christmas Seal Drive.

At the final report, school nurses in the county reported that two children were found to have tuberculosis when the Tine tests were given in the schools. There are now three children being treated in McNight Sanatorium from Jones County.

The donations exceeded last year's total by \$100 but is still \$200 short of the quota set for the county.

Contributions by towns are as follows: Anson, \$339.11; Avoca, \$60.52; Hamlin \$620.04; Hawley, \$85.57; Lueders, \$66.00; Stamford, \$609.55; Noodle, \$9.02.

The board, with Leldon Clifton as president, expressed their appreciation to everyone for their cooperation during this drive.

Mrs. Elmer Joiner is reported to be improving at Scott and White in Temple. Surgery is scheduled Friday morning if she continues to improve. She is in room 340. Mr. Joiner is with her and their daughter, Mrs. J. E. McCoy. Mr. McCoy, a son, Buck Joiner of Odessa, and her sister, Mrs. W. W. Goodwin and Mr. Goodwin plan to go down Friday.

## A Few Snow Flakes But No Moisture Wed.

Predictions of light snow did not materialize fully Wednesday. Only a few flakes fell during the morning with no measurable amount of moisture.

Bill Rountree, recorder for the Weather Bureau here, said that the only thing recorded during the month of January was thunder on the 27th. A trace of snow is all that can be recorded for Wednesday.

February begins the second month of no rain and only small amounts were shown for the two previous months. In December the record's show .04 and the November amount was .12.

West Texans continue to hope for rain to break the drought condition.

## Riding Club

All members of the Hamlin Riding Club are requested to attend a meeting Friday at 7:30 p.m. at the Plains Coop Oil Mill Guest House.

New officers will be elected. Bill Dominey, president, will preside.

## BRIDGE WINNERS

Mrs. W. L. Hunter Jr. and Mrs. W. O. Willbanks were first place winners at the Tuesday evening session of the Hamlin Duplicate bridge club. Gene Knabel and Jack Russell were second and Mrs. Floyd Briscoe and Mrs. Gene Knabel were third.

## Mrs. L. B. Maberry To Head Newly Formed Group

Mrs. L. B. Maberry was elected leader of the TOPS (Take Off Pounds Sensibly) Club organized here Thursday evening.

Others elected to office were Mrs. R. M. Sizemore, vice leader; Mrs. V. E. Holt, secretary; Mrs. Clarence Miller, treasurer.

Mrs. Maberry appointed Mrs. Roy Embrey weight recorder and Mrs. Melvin Scott her assistant. Mrs. Charles Ferguson was named program chairman and Mrs. Scott, her assistant. Mrs. John Hix was named reporter.

The next meeting will be Thursday, Feb. 9 at 7 p.m. in the high school cafeteria. Everyone is welcome.

Stamps will be given to the one losing the most pounds this weeks.

**TO SING AT FESTIVAL SATURDAY** — Members of the Carol Choir made up of juniors of First Baptist Church, will sing at the Tri-Associational Music Festival in First Baptist Church in Stamford Saturday morning. The group will be judged and if a superior rating is received they will be eligible to compete at the State Festival. This same age group won a superior rating at the state competition in Arlington last year. Pictured are, left to right, front row, Vickie Ponder, Rebecca Server, Tommy Johnson, Johnny Mac Seay, Kathy Ponder, Donna Taylor, LuAnn Shira, Luke Reynolds, Frank Meyner,

second row, Revonna Kay Robertson, pianist, Danna Gallagher, Larry Early, Donna Early, Kathy Smith, Tim Lewis, Ronny Maberry, Debbie Hix, Cheryl Lewis, Ricky Crowley, Johnny Howard, Tony Franklin, Stanley Colley, Bill Keck, director; third row, Kenneth Payne, Danny Hix, Jan Gardner, Tara Colley, Debra Meyner, Latrese Williams, Beverly Sutton, Mary Greenway, Terry Neal and Ken Shira. Not pictured are Kelly Bradshaw, Julia Farmer, Mike Herd, George Ann Pruitt and Marilyn Stewart. The chapel choir will sing Friday night and the cherub choir will sing Saturday morning in Stamford.

## Sylvester News...

My wife and I have been in the rain for a few days morning in full force but guess we shouldn't complain as we have had beautiful weather for so long. Still no rain, and we do need a lot of that. RAIN!

I made a mistake last week would you believe it? Mrs. Ross Douglas didn't get home until this past weekend and she is still taking it easy. I was out there Sunday afternoon and she is still bruised and sore, but improving.

Mrs. Bob Powell of Sweetwater visited with Mrs. Ezell Whitten and May Hurst in Mrs. Hurst's home Sunday afternoon. She is the former Zelpha Whitten.

Mrs. Robert Scott Jr. is in El Paso with her brother, who is very ill. She only came home a few days ago. Tying her Mother home from there, as she was very ill and is in the Nursing Home in Sweetwater.

Since it was too dry to plow, Woodrow and Vivian Lassell drove to Eules and Duncanville and visited their daughters Mrs. Jimmy Purvis and Mrs. Harold Johnston. They report a nice time with the grandchildren. This past weekend, Mike and Kay, and young Mikelan Todd, of Big Spring visited with them and attended Church at the Baptist Church on Sunday morning.

Mr. and Mrs. Horner Pursley have been spending most of their time at Simmons Hospital in Sweetwater with her father, Mr. Adams, who is very ill with double pneumonia.

I told you I would find out about the cotton and they have finally finished ginning. They ginned 2960 bales this season, pretty good don't you think?

Miss Lula Hassey of Tye spent one night last week with Mrs. Ruth Brown.

Don Kelly seems to be slowly improving and for each improvement we are so grateful to God, we are hoping he will soon be able to be moved to a closer Hospital.

Mrs. W. B. Brown and I have been to Sweetwater on Saturday afternoon to check on Mr. Adams and as we were returning home, between here and Longworth Herbert McHaney's pasture was on fire. The Roby Fire Dept. and many people were helping to put it out. Looked to me like some one was careless about throwing out a cigarette. Grass is too dry for people to be so careless, in fact it should never be done at any time. I have never seen a car that didn't have an ash tray in it.

Sylvester awoke to the fact that there hadn't been any thing done for the March of Dimes except the can put in the store so some of the women made pies and sold them this past Saturday at the store. With what had been put in for the drive.

The can we had almost \$70.

Mr. Eugene Kiser had to be taken back to Hamlin Hospital this past week, he came home on Wednesday and had to go back early on Friday. He seemed some improved on Sunday.

Gary, Paula and Jill Douglas are living in San Diego, Calif. while Gary is attending school at the Naval Base.

Mr. and Mrs. Dewayne Early of Abilene were the honored guests at a wedding Shower on Saturday afternoon at the basement of the Methodist Church here.

Mrs. David Andrews of Hamlin visited for a few hours Sunday afternoon with her sister, Mrs. W. B. Brown.

Mr. Orville Cox says he is feeling much better. He has had quite a time since the horse threw him several weeks ago.

John Hardwick spent the weekend with his family. He attends McMurry in Abilene.

Mr. and Mrs. Ernest McCright have finally gotten moved into the home they bought from Mrs. J. J. Self. We welcome them to our town.

The last report I had from Mrs. Joiner in Scott and White in Temple she still had not had surgery due to complications. We hope and pray she is much better when this is printed. We are pulling for you, Mrs. Joiner!

## Gloria Jean Jenkins, Kenneth Jarosz Exchange Vows Saturday

Wedding vows were exchanged here Saturday at 6 p. m. by Gloria Jean Jenkins and Kenneth Earl Jarosz, First Lieutenant, United States Air Force, stationed in Taiwan.

Parents of the couple are Mr. and Mrs. Earnest Nelson Jenkins and Mr. and Mrs. Louis M. Jarosz of Waco.

The ceremony was conducted in the chapel of First Baptist Church by Rev. John C. Jenkins, pastor, First Baptist Church, Lorenzo, uncle of the bride.

Mrs. L. B. Baker was organist. Soloist was Jane Ferguson.

Judy Jenkins was maid of honor for her sister. Best man was Stanley M. Jarosz of Waco, brother of the bridegroom.

Ushers were Kim Murphy of Austin, cousin of the bridegroom, and Jack Carr of San Antonio, uncle of the bridegroom.

Presented in marriage by

her father, the bride wore a gown of delustered crepe with alencon lace yoke and elbow length sleeves re-embroidered with seed pearls. The lace and seed pearl motif was repeated on a panel on the skirt front. The attached chapel train was held with a bow at the waist. Her veil of illusion fell from a crown of alencon lace and seed pearls. She carried a cascade arrangement of cymbidium orchids and stepanotis.

The maid of honor wore a pink delustered crepe empire gown with matching bow headdress with veil. She carried a ballerina colonial bouquet of pink carnations.

The bride's parents hosted the reception in the church parlor.

The former Miss Jenkins is a graduate of Hamlin High School and will graduate from Hardin-Simmons University in May. She is president of Kappa Pi, honorary art fra-

## Literary Club Tea Well Attended Here Friday

The annual Guest Day Tea held Friday at the First Methodist Church was well attended by members of the Woman's Literary Club and their guests.

Guests were received in the church parlor by Mrs. Bob Craig, president, and presented to Mrs. A. J. Smith, third vice president of Mesquite District, and Mrs. Harold Morris, guest speaker, both of Anson.

Mrs. L. H. McBride served from a table covered with a white cutwork cloth over yellow and centered with an arrangement of yellow gladioli and yellow mums. Yellow tapers and crystal appointments completed the decor.

Mrs. Morris presented slides of the Holy Land to show the birthplace of Christ and other places where he lived and spent his ministry. The pictures, although taken this past summer, still show buildings and landscapes that might be much the same as they were in Christ's time. The slides in Europe show the results of early day cultures and religions and she told of their affect on history.

She told the early day story as the pictures were placed on the screen.

Members of the arrange-

ment committee were Mmes. Tarlton Willingham, Loyd Burkhardt and Donald Young. The Refreshment committee included Mmes. C. F. Cook, Cecil Hardaway and Kenneth. The next meeting will be

## Old Glory News...

By Judy White  
This is the night, Thursday, Feb. 9, when the adult men and women's basketball teams from Old Glory will play the teams from Aspermont in the Old Glory gym. Admission is \$1.00 and 50c and proceeds will go to the March of Dimes. Women in the Old Glory community are asked to bring pies, cookies, cakes or sandwiches to be sold. Proceeds will also go to the March of Dimes.

Tuesday night, Feb. 14, Old Glory High School seniors will host a chili supper. Tickets are on sale now for 50c per plate. This is the night Old Glory Pirates will host the Rule Bobcats for what promises to be one of the most exciting games of the season. At

this writing the Pirates have a 10-1 record losing that one game to Rule by a narrow margin. The Bobcats have not lost a game in District competition at this time.

The seniors will begin serving chili at 5:30 p. m. and continue after the game. Old Glory boys defeated Rochester last Friday night, 66-49, Larry Flow leading the way with 39 points.

Old Glory girls lost to Rochester 49-41. Stephanie Letz and Francell Boles leading the way for Old Glory with 18 and 15 points.

Rita Baldree, in charge of teen activities for the March of Dimes in the Old Glory community, reported a collection totaling \$20 from the students and teachers in the

school last week.

Ten members of the Old Glory Variety Club met in the home of Mrs. Beno Hertenberger on Tuesday of last week for an all day quilting party. Visitors present at the meeting were Mrs. Mid Johnson and Mrs. Delos Callicotte.

Mr. and Mrs. Beno Hertenberger spent several days in Fort Worth this week visiting their daughter and family, Mr. and Mrs. Jack Simmons and sons.

Mr. and Mrs. James Russell Newman and family were here from Monahan's last week visiting his parents, Mr. and Mrs. J. F. Newman, and also to visit with his brother, Jerrold Mack, who returned from Korea recently.

Mr. and Mrs. Ronnie Keith of Abilene are parents of a baby boy. Mr. and Mrs. Beno Hertenberger are the great-grand parents.

Judy Sander was hospitalized Friday night after receiving a shoulder injury in the basketball game with Rochester. She returned home Sunday.

Dewey Dudensing underwent an appendectomy last week and is a patient in the Stamford Hospital.

Mr. and Mrs. Albert Kleppe and three children were dinner guests in the home of Mr. and Mrs. Lynn Flowers last Sunday. Other recent visitors in the Flowers home included W. O. Macon of Rule, who is Mrs. Flowers' brother, on Wednesday of last week. Last Thursday Rex Flowers of Abilene visited in their home.

Mr. and Mrs. Jimmy L. True of Abilene were here last Friday visiting her mother and sister, Mrs. Normanda Sander and Judy.

Mr. and Mrs. C. T. Pierce, Debbie and Dennice, spent last Sunday in Abilene visiting in the home of their daughter and family, Mr. and Mrs. Thomas Letz and Bryan.

## WORLDS TO Conquer!

Coleman Adv. Ser.

Many Young People have just recently stepped out of the world of training and study, and now look to make their spot in the world. These words of encouragement are written for you.

New frontiers are still there to be conquered, there is a place of service for you. Do not be afraid, for in the strength of your youth, you can accomplish much, however, do not shun the advice and help of others. Above all, seek the knowledge of the Lord. "Thou shalt guide me with thy counsel." Psalm 73:24

ATTEND CHURCH REGULARLY

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

# Classes Making Plans for School Carnival February 11

By Helen Moore  
Tommy Oliver  
Beth Craig

If you happened to be walking down the hall after school Wednesday, Feb. 1, you probably heard muffled voices coming from the cafeteria; and, if you had investigated you would have realized that it was an organization meeting consisting of representatives from each class to select a booth for the School Carnival to be held on February 11. The senior class chose a pie throw and a cake walk for their booths, and the juniors chose a bingo stand and an apple dunk. A fishing booth and a hammer swing were selected by the sophomores, and the freshman class will

have a penny pitch and a sock throw. Six organizations and clubs and their booths are as follows: National Honor Society -- Softball -- Throw FFA -- ring the bottle and a dunking machine, FHA -- dart throw, Library Club -- spook walk, Spanish Club -- wheel of fortune, Band -- fortune telling booth. The Student Council is sponsoring the carnival and will furnish a concession stand and special entertainment in the auditorium. Why "not come on out" to the high school Saturday, Feb. 11 at 7 a. m. and join the fun?

The National Honor Society gave a devotional on Wednesday, Feb. 1. James Knabel opened the devotional by leading the students in song, and Revonna Robertson played

the piano. Following the songs, Jayne Turner gave the opening prayer. Psalm I was then read by Pam Haltz and Sue Reddy, and Tommy Oliver read the poem, "Seeing God." Agustin Barron read "As Tall as Lincoln," and Vicki Newland closed the devotional by leading the students in the "Lord's Prayer."

Mr. Joe Smetana, Safety director of the Texas Farm Bureau gave an interesting assembly on the dangers of fire Friday afternoon. He compared fire to an equilateral triangle. The legs of the triangle were fuel, heat, and air, and if one of the legs were missing there would not be a fire.

The Assembly was very entertaining and educational, and we would like to express our appreciation to the Jones County Farm Bureau for making this assembly program possible.

After the assembly Donnell Hill, a junior, and Ruby Mendoza, a senior, were announced as Citizens of the Month of

January.

Anson slipped past the Hamlin Piperettes Friday night 65 to 61. Patricia Herndon was high for Anson with 8 points. Piperette Linda Bailey had 27 points.

The Tigers defeated the Pipers 71 to 61. Milton Davis scored 17 for Hamlin, and Eddie Andrus put in 24 for Anson.

Hamlin's "B" Team stopped

Anson's "B" Team with a 67 to 62 win.

Welcome, Allan and James Asher, to Hamlin High! Allan, a junior, and James, a sophomore, have moved here from Hobbs, New Mexico. Their parents are Mr. and Mrs. A. D. Asher. When asked about their hobbies, Allen said that one of his hobbies was water skiing, and James added that it was also one of his hobbies.

## FROM THE EAGLE'S BEAK...

By Charlotte Griffin  
Linda Acklin

Monday night, Junior High had a basketball game at Roby and the girls were beaten, 29-25. High point girl was Beatrice Miranda with 19 points. The boys lost, 47-11. High point boy was Mack Cook with 5 points.

Tuesday night high school played Highland. The girls were beaten 58-25. High point girl was Lana Acklin with 20 points. The boys were beaten 69-26. High point boy was Bobby Smith with 11 points.

Thursday the M. H. S. students were measured for their school jackets and sweaters.

Friday night high school played Trent. The girls lost, 6 points. The boys lost by the score of 54-51. High point boy was Jessie Miranda with 17 points.

Jeanne Acklin, senior, won the "Betty Crocker Home-maker of Tomorrow" award. Friday night will be the last basketball game for the McCaulley High School. We play Blackwell at home.

The "three day measles" are going around at McCaulley. There are a few students out of school.

F. F. A. members had a meeting last week, and they decided on having a Weiner roast after basketball season.

"THE LATEST FAD", around M. H. S., if you admire someone you put a picture of yourself in their locker, telling how much you like them. We have Charlotte Griffin and Harvey Dixon to think for this.

TOTAL ELECTRIC LIVING  
A CLEAN BREAK WITH THE PAST

## Count the ways electricity benefits you

In your home alone, 166 electrical appliances are available to save time, reduce work and do a better job faster and more economically.

Small wonder that in the last 10 years the typical American family has nearly doubled its use of electricity. And at very low cost. While the cost-of-living has been spiraling upwards, the price of electricity has been coming down.

Here at WTU we keep pace with the increasing use of electricity in industry, in business and in the home. It is a way of life with us, for we know that electricity powers progress.
